"*Una storia vera, o quasi*". I volumi della collana "I Grandissimi" sono una piacevole opportunità per approcciarsi ai grandi della Storia, in una narrazione a misura di ragazzo. Sono vicende di uomini e donne che hanno cambiato il mondo, ciascuno a modo proprio. Scienziati, inventrici, difensori dei diritti umani, artisti vengono raccontati da autorevoli autori e autrici di divulgazione: un avvicinamento ad alcune grandi figure dell'umanità, attraverso la modalità della biografia romanzata e con l'ausilio di illustrazioni, senza tralasciare gli aspetti storici e contestuali.
